Roslindale Parade

October 6th

Throughout the course of the year, there are a multitude of events hosted. Events heavily encourage the participation of all cadets. Many of the events occur yearly, the Roslindale Parade being one of them. Such an event provides cadets with the experience of marching in front of an audience.

Celtic Game

November 25th

Cadets had the opportunity to perform Color Guard prior to the Celtics game. Color Guard participates in many events, including academic assemblies, pep rallies, and parades. Due to their hard work and dedication, after performing Color Guard at the Celtics game, the cadets were able to enjoy the game for themselves.

Drill Season 2019-2020

October 19th ,November 16th and December 14th

This year's drill season has been all about perseverance and improvement. All teams improved with the help of their peers and commanders . Even though we didn't place overall, we all knew that we put our best out there. Our first competition when we mostly placed third in our events except NS-1 coming in first, the cadets saw that there is room for improvement and they did just that.
